CHARACTER

This is a beautiful, sensitive, dynamic mare, with giant gallops and excellent jumping skills. Her older siblings already proved themselves in international sport, her blood-brother is the breeding stallion (WESTF, FWB, SI) Ramanov, who entered for races at 160 cm. Her half-sister (same mother) Bella Strade also won CSIO Nations Cup. Her 11 year old blood-brother Amigo races on 140 cm courses.

IDEAL FOR

Donnastrade entered races up to 140 cm so far but this year she will take part in higher competitions (145-150 cm) as well. Riding her doesn't require too much physical strength, therefore she is also a perfect partner for ladies or children. Because of her big gallop, dynamic and independence we suggest this horse to those as well who are looking for a safe schoolmaster, who helps to move on to higher categories.
