CHARACTER

Carefullness, explosiveness, scopey, speed

„Nintender has lightning fast reactions, is extremely careful, and has a big heart in the ring.” That’s how Nicon’s father is described, which he transmitted very well, as it is completely true to him too. His mother Lady Blue (Dugratia) is competing on 140-150 cm courses on international level. His half-sibling on the mother’s side Concolue was sold at P.S.I. auction, and is competing on 150 cm courses successfully. Nicon emerged into notice already at a young age, because as the star of the free jump he was the promotion face of Gestüt Lewitz Christmas Sales 2019.

IDEAL FOR

In 2017 Nicon entered races up to 130 cm height, and owing to his speed and carefulness he won numerous trophies and reached good placings. This year we plan to race with him up to 140 cm height. On basis of his talents we recommend Nicon to such riders, who like to aim the first place at speed events.
