## CHARACTER

Accuracy, willingness to work, reliability

Stakkauer is an exceptionally intelligent, sensitive horse, who loves working, jumping and racing. It is a brave, fast and a very careful horse. His virtues get him advantages in speed events. Last year he raced at 130 cm successfully, this year he probably will do the same at 140 cm.

## IDEAL FOR

This horse is very good helpmate, who can jump easily and correctly from any kind of position. It is a sensitive horse who has a fine body structure, therefore we recommend it to lighter riders, to ladies or children, juniors.
