CHARACTER

calm, brave, big jump, intelligence

The father of Conan – Chacco Blue – and his mother’s grandfather – Kannan belong to the most successful jumping sires of the world. His mother – Kanlata is also competing currently on 150 cm high courses. Conan has a stallion license in HSH breeds. His first foals will be born next year.

In spite of the fact that he is a stallion, Conan is calmness itself, a real gentleman. Great gallop, scopey jump, courage, carefulness and intelligence are characterizing this friendly giant. Conan easily accomplished 140 cm courses, this year we plan to enter 150 cm courses. According to all indications Conan can even be a horse of 160 cm courses in the future.

IDEAL FOR

We recommend him to such riders who like big, calm horses. He is easy to ride, he is rideable at races with foal snaffle-bit without spur. He’s got enough qualification and routine and is also adequately stable mentally for a child or junior rider to enter him even for European championships.
